\*These numbers are approximate

### Community Outreach

#### Disney Harvest

**0** pounds (approximately) of prepared food donated and distributed to local area non-profit agencies.

#### The Walt Disney Company

The Walt Disney Company is known for creating magical experiences that delight and entertain people of all ages. Since 1930, Disney employee "VoluntEARS" generously share this magic around the world, helping children, their communities and the environment. Disney employees from over forty-two countries have donated more than five million hours to their communities.

#### Disney Institute

Experience the power of a common purpose while strengthening your team and the local area by engaging participants in a meaningful community outreach activity that demonstrates responsible citizenship. Our learning professionals provide customized team experiences where you can walk in the footsteps of a Disney "VoluntEAR" and give back to the community.
